 JOBS & SKILLS

# DIGITALISING LEARNING:

MAKING IT WORK

14 AUG 2020

---

# WHY DO WE NEED SKILLS TO BUILD SKILLS?

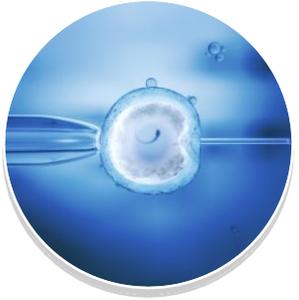

Rapid acceleration in longevity

Digital Economy: Products that learn for you, and about you

The rise of team talent

Changes in family and parenthood

More rapid job and career changes

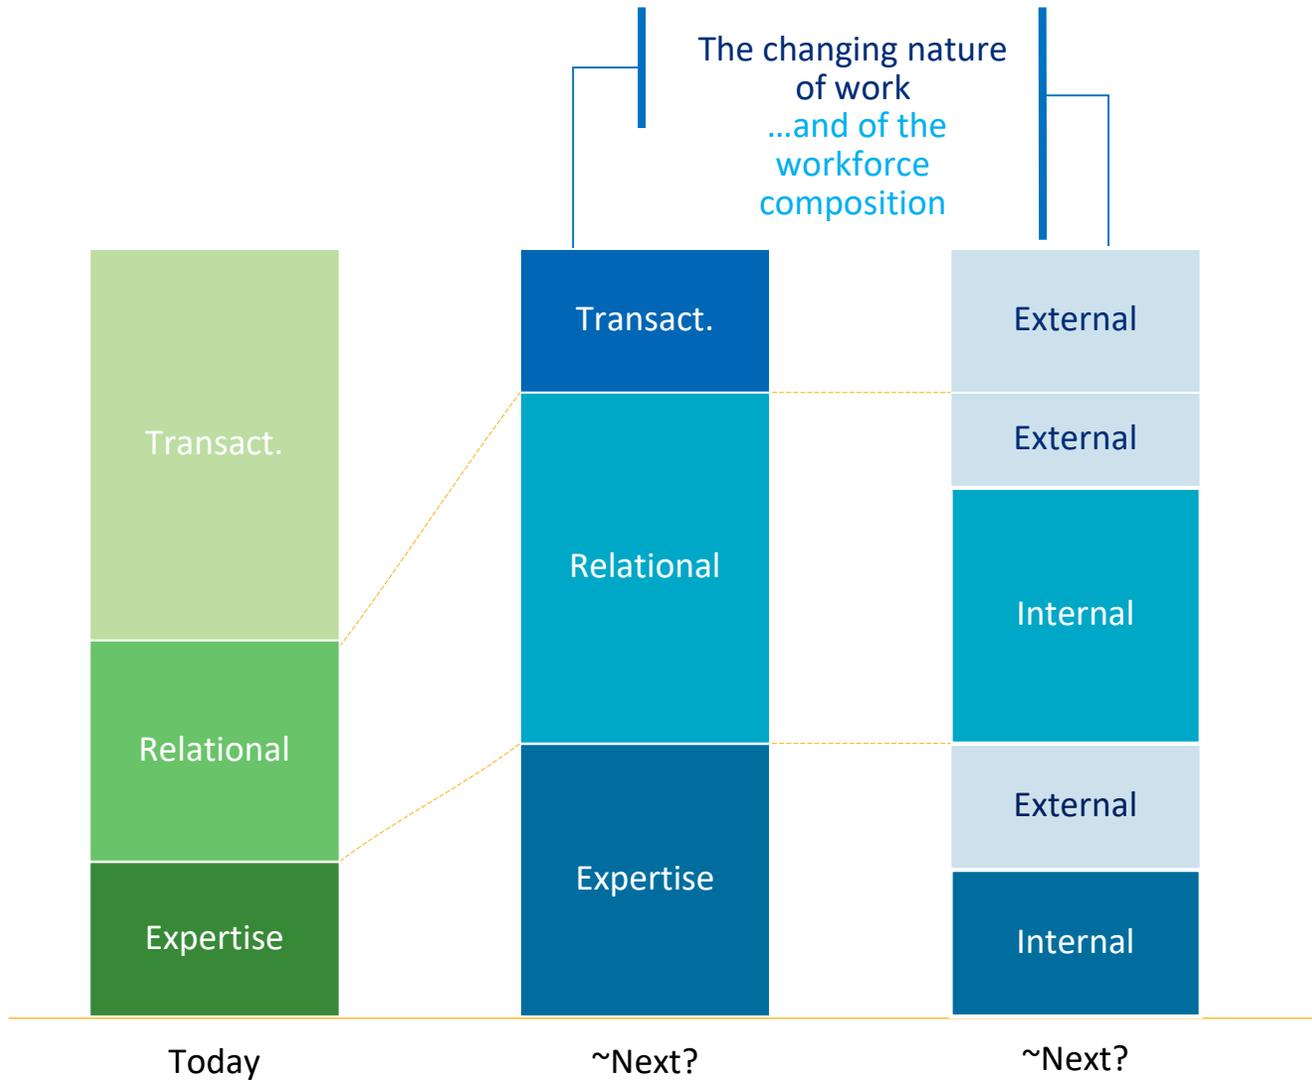

The Experience Economy

---

# Fascinating socio-economic shifts

Innovation drive changes to all aspects of our lives more frequently than ever (even though changes were already very frequent)

The changing nature  
of work  
...and of the  
workforce  
composition

# The evolution of our life-roles

Relationships and expertise rise in importance

The nature of work changes more quickly

# What does this all mean for Core Skills?
